Please Read

- Ruffner's Luxury Pet Boarding inc. will perform a temperament test on all dogs prior to introduction to a playgroup. The temperament test allows the opportunity for a dog to be slowly introduced to a playgroup while under the close supervision of a "playground attendant". We will reserve the pet profile provided by the pet owner/agent and use that information in conjunction with the temperament test to determine your dogs suitability for a playgroup. We will make every effort to place dogs in appropriate groups based on temperament, energy level and age. Ruffner's Luxury Pet Boarding inc. reserves the right to refuse group playtime to your dog if any aggressive behavior is exhibited towards another dog or human. We understand that, like people, dogs may have a bad day or not get along with certain dogs. If this is the case we may remove your dog from the group for a break or change your dog's type of boarding/daycare arrangement if we believe it is necessary to protect the health and well-being of your dog, other dogs, or our staff.
- All vaccinations must be current. Proof of current Rabies, DHLPPC, Bordetella, and record of a negative stool sample must be provided prior to admittance into our facility. Additionally, all dogs over nine months must be spayed or neutered to participate in daycare.
- All cats must be current on Rabies, FVRCP, and record of negative stool sample.
- Ruffner's Luxury Pet Boarding inc. will practice diligence to ensure the safety, well-being, and happiness of every dog in our facility. There will, however, be certain risks associated with allowing the freedom of dogs interacting with other dogs. Even with constant supervision, nips, scratches, muscle soreness, disease, and dog fights may occur. Each pet owner needs to understand the risks involved and that it will be the responsibility of the pet owner to take care of any vet charges.
